No, I do not need the Wins Maximizer because I have enough money. You can send this instrument for incredible wealth and success to someone else. In this case, I am aware that my document will not be processed in priority and that \$ 48,000.00 will not be paid soon.

Authentic stories written by life.

"A Wins Maximizer... nonsense I thought. Even so, my curiosity was aroused and I had nothing to lose. I ordered the Wins Maximizer as a precaution in case I was wrong. That was the best decision I ever made in my life. At first I had a hard time believing it but suddenly wins started coming into my life like a downpour. Now I can do anything I want. It was a miracle!"

Martha S., 68 years old

Joseph L., 71 years old

"I always liked contests but I never had the luck to win. This was true until, and that was the first time I won, I had the possibility of order in the Wins Maximizer. It was too tempting. The Wins Maximizer that was supposed to

multiply my wins was proposed and I told myself I should take this chance and tempt fate. And it worked! A few weeks later, I found a huge check in my letter-box - and another two days later! And that was only the beginning. In addition, using the Wins Maximizer is child's play! I have so far amassed several hundred thousand dollars!"

Dave and Maggie M.,
57 and 52 years old

"The Wins Maximizer has made us millionaires today. We retired a long time ago. Instead of working, we take enjoy luxury voyages and sail the seas on the yacht we purchased last summer. The Wins Maximizer completely changed our life. It is the best thing that ever happened to us!"

in your name?*

Dear [REDACTED]

I have just learned that you were not present at the prize award ceremony. I immediately decided to summon all the members of the prize commission to verify the current status of the situation.

You will find enclosed a copy of the letter that I must admit both surprised and saddened me.

You have apparently not profited from the luck that has finally come your way.

I can't believe it!

The check for \$ 1,150.00 has been made out in your name and is yours without question. [REDACTED] This is neither a practical joke nor an unscrupulous scam!

SECOND CHANCE GRANTED

If you do not react very shortly, within 10 days, your file will be definitively closed, the check for \$ 1,150.00 will again be made available and it will be awarded to someone else at the time of the next prize award ceremony organized for the winners.

I find it hard to believe that your absence was intentional. I prefer to believe that either our invitation was lost or that it is still in a pile of unopened mail. In any case, these are the reasons I gave to the commission in order to grant you a second chance.

I have just returned from the commission meeting and it is my pleasure to rapidly inform you of the **decisions I believe to be exceptional and that I have never seen before. [REDACTED] It's almost unbelievable:**

- ▶ **Your check for \$ 1,150.00 is still yours!**
All you have to do is claim it.

Please hurry!

- ▶ And now here is something even more unbelievable... get ready!
- ▶ **You can also claim the second check for \$ 43,730.65!**

Allow me to briefly explain why: at the end of each accounting period, we **add up the amounts of all unclaimed prizes** in order to make one last distribution. The total of these amounts this year is **\$ 43,730.65** and we have decided that you will be the recipient of this exceptional sum of \$ 43,730.65 in the form of a second check that will soon be made out in your name!

In behalf of all the members of the commission, congratulations!

231-14_USA

Please turn over →

This means that you are probably at the start of a very lucky period. I can confirm this because today's happy events in rapid succession are always harbingers of tomorrow's financial ease. Even so, you realize that good luck can rapidly evaporate. This is why you must ensure that it does not disappear and remains on your side. It is precisely in times of financial instability, as the world has been experiencing for the past few years, that luck must be grasped with both hands and held on to at all costs.

In order to assist you, I have decided to provide some additional help. If you agree, after your response is received I will enclose a small object along with the check. It will be an inexhaustible source of money for you. Always keep it with you, take good care of it and thank it each time it turns your desires into reality. You will see and understand why it has brought luck to many people before you. You will not become a millionaire overnight but you will receive non-negligible sums of money at regular intervals that will make life more pleasant and will provide you with reliable revenues. Trust me.

I confirm that this gift I want to offer you is not

I confirm that this gift I want to offer you is totally FREE! I am asking for only a symbolic sum for processing so that administrative registration and the cost of a registered letter will ensure that you receive the check in total security. This is not a "participation" fee since I will cover the majority of these costs. In addition and as I just said, I will enclose my gift with the check so that you will receive everything at the same time.

Please do not forget to claim your second check for \$ 43,730.65! I have again enclosed the "Last notification for prize remittance" since you obviously did not receive it the first time. Once again congratulations. All that remains is...

Once again congratulations. All that remains is for me to strongly recommend filling out and returning the Urgent Prize Claim I have enclosed here. When you will hold my gift and the check for \$ 1,150.00 in your hands, your life will take on a new and positive direction. Once I will have received your Urgent Prize Claim, you could also receive the second check for \$ 43,730.65 and deposit it in your account.

Once again CONGRATULATIONS!

The rapid reception of your response will genuinely make me happy, Mrs SCHULTZ!

Sincerely yours,

Sincerely yours,

DEADLINE: 8 DAYS

THE CURRENT CONFIDENTIAL DOCUMENTS WERE ISSUED IN ONE COPY UNDER THE STRICT COMPLIANCE OF THE OFFICIAL STATUTES OF PAYMENT!

FINANCIAL TRANSFER MUST TAKE PLACE BEFORE THE DEADLINE!

Dear [REDACTED]

Referring to the numerous letters from our office which have still remained unanswered by you, I have been commissioned with the closure procedures of your account which primarily serves as a balance of your winner account that currently shows a positive balance of \$32,971.10.

In our previous post you were already informed that the three scheduled disbursements in the amounts of \$11,000.00, \$14,000.00 as well as \$7,971.10 could not be made directly to you on the due date due to no response on your part. Therefore these amounts were, as a precaution, respectively credited to your winner account.

After the proper storage period of this money in accordance with the official statutes of payment which expire after 3 months, you receive your final possibility to balance the positive amount of \$32,971.10 through a prompt transfer to you.

To this end the final disbursement of the total sum is scheduled by bank check in your name.

As head of the finance department, I was commissioned to disburse the money to you as soon as the necessary documents have been received by me. Since we have not received any message from you which would make it possible to issue the bank check in your name, I have recently spent a lot of time to locate you. I have therefore contacted several register of residents but the result was always the same. Your only known address is as follows:

Of course, it is possible that you did not give our previous letter enough attention and therefore your response failed to materialize. Or an envious person had intercepted the letter in order to deprive you of what you rightly deserve. Be that as it may, time is running out!

Upon receiving my letter from today you have only 8 days to notify us whether you want to maintain your entitlement for the \$32,971.10 or not.

I await your prompt response, please note the instructions on the reverse side!

VALID ONLY WITH THE SIGNATURE AND STAMP OF THE FINANCE DEPARTMENT.

Read their stories... ..

“As a young girl I already had nothing on my mind other than horses, horses, horses... Unfortunately my parents were so poor that it was not even feasible to pay for riding lessons for me. Even my husband, with his modest salary, could not fulfill this dream but the desire remained. Then a letter from Dr. Kramer came to my house with the notification that I had won \$ 24,829.45. Unbelievable? Yes, at first I thought that too, but one must seize the opportunity when it is being offered and therefore I filled everything out and sent it back, just as it was explained in the letter. Already 10 days later a registered letter came with a check for \$ 24,829.45 and the Golden Coin of Fortuna. With the money, I paid off some debts first but then I treated myself to the first riding lesson of my life. It was fantastic. But what came next was even better: With the help of the Golden Coin of Fortuna I have won more than \$ 180,000.00 in the last half a year and last week I bought my own first horse! Thanks Dr. Kramer, for the fruition of my dream!”

"Until my fiftieth year, my life was a mess. Even in my youth I was on the wrong track, I dropped out of school and afterwards took odd jobs to survive. Alcohol played a major role in my life and cost me my marriage. The provisional low point was an evening 2 years ago when I was drunk again behind the wheel and not until I was in a hospital bed, I came to. The shocking diagnosis: An irreversible paraplegia! If my wife had not come back to me then, I would have long since killed myself. But in retrospect, the accident was a lucky turning point in my life - and just in time. My wife had accompanied me through the worst times of my life and gave me the courage to live on, even without alcohol. But the greatest luck was the letter from Dr. Kramer, which my wife, without telling me, had responded to because she did not want to give me unnecessary hope. But then the incredible surprise: An immediate win of a whopping \$ 32,624.66 and just in the last 4 months more wins totaling \$ 153,000.00, thanks to the Golden Coin of Fortuna! Now I can finally afford this new therapy that doctors are convinced will bring me out of the wheelchair! I am the happiest man in the world!"

My Solemn Commitment

The title of "Great Universal Clairvoyant of the Century" is the highest distinction I have received. The talent of accomplishing genuine miracles and communicating with the most powerful forces of the Beyond is a wonderful gift from Heaven. But it is also a heavy responsibility for me since there are no limits and everything becomes possible. I offer my help to all those who require it. This is my solemn commitment, a wish from Heaven that I have never betrayed and that I will continue to respect.

3019596948 0841180030.0.66 25501

M1800-30 USA

Excuse me, dear [REDACTED].
I ask you to please excuse me!

Marie de Fortune
Expert in telepathic research
and analysis. Fifth generation
clairvoyant and tarot expert.

Dear [REDACTED],

Last week I heard your distress call, your plea for help in a difficult situation.

I immediately started concentrating on you but unfortunately I had to interrupt my work to come to the rescue of a child who was in need of a great deal of help. The forces of evil were at the point of taking possession of him. I had to start this work right away.

Two hours later, after an incredibly hard fight - almost bloody - I was finally able to breathe easier again. The combat was ferocious, but victory was mine. The child was saved and the forces of evil destroyed. But I was totally exhausted and could not work for 3 days.

I am now better and the first thing I did was to resume working on your case. I had already begun a parapsychic analysis to determine the entire extent of your situation.

I feel very close to you and assure you that I will ask for no money for my work. I truly have the immense feeling that I have to protect you.

This is why I solemnly promise to do everything possible so that all your desires will come true. I have never gone back on my word.

Since I had no contact with your karma, I was lost. After praying for more than an hour to establish a spiritual contact with you, I felt a chill run down my spine: I understood your call for my help and gave you my undivided attention - with nothing else in the way.

Now I first have to obtain your agreement. You have to accept that I will act in your name. I will show you that I never betray those for whom I act. In your case as well, I will win.

I will protect you and fill your life with wealth and love.
I want you to benefit from this incredible chance.

Forget your sorrows and worries. Give them to me.

Read these predictions now.

They require immediate action!

Attention, before 4/19/2016! I had a clear and precise vision. I saw a worrisome event that I am sure I can prevent. I want to keep you perfectly safe and ask you not to leave home after 8 pm.

ATTENTION!

Someone will stab you in the back! This is only an image but you must know what it is about.

Someone is speaking behind your back. Negative waves are being sent that torment you. Between 4/24/2016 and 4/29/2016, you will receive a registered letter concerning money for you. A very large sum of money. Do not speak to anyone about this. Keep this a secret to yourself until you put the money in the bank. And even after that, you should keep total silence regarding this small fortune. Be very discreet.

These two events are extremely urgent and require immediate action by me. But there are also other problems. I sense that your heart is heavy. I know your financial situation is tense and you pray for your life not to remain a constant struggle. Now I have wonderful news for you: your combat is over. Today!

I can give you all the guarantees in my possession - legal, moral and contractual.

When I make a wish, I really make it. Whatever it is. My past has proven this. I am recognized worldwide for never having failed. I have even solved the most desperate problems that often required a miracle.

I will perform miracles for you ... and now I will explain.

Your problems are in three areas and I am going to take care of each of these issues.

- 1 - Your unanswered prayers and lack of good luck
- 2 - Love, family and friends
- 3 - Money and material wellbeing

Unfulfilled wishes for good luck: the difficulties you are faced with are not your fault, [REDACTED].

I discovered two things. First, someone has cursed you and is trying to influence you negatively. Secondly, for the last 16 months you have been in a negative astral cycle, interrupted only briefly by several short positive moments.

I am going to carry out a purification ritual that will free you from these harmful waves.

I am convinced that this will take care of the first problem. The end of your streak of bad luck is near at hand.

Your negative astral cycle will end on 4/22/2016. On 4/25/2016, you will enter a period of extreme luck that will last for 91 days. **During those 91 days, I must help you so that you can profit from all possible opportunities.** With my advice and my magic ceremonies, genuine miracles will happen. You will see for yourself. I can now see how a large sum of money is going to completely change your life between 4/24/2016 and 4/29/2016 and again around 5/17/2016. Each of these days will be a momentous time for you. This period will really be a unique opportunity, dear [REDACTED].

Love, family and friends: my powers and my help are infallible in this area. There is no problem I cannot solve. My miracles acting on love work right away and last an entire lifetime. I will conduct a very special sacred ceremony for you so that your life will be filled with joy and love. I will tell you the names of the people, the key dates, the events and everything you will have to know. I promise you can count on this.

Money and material wellbeing: starting on 4/24/2016 your financial situation will change radically and in a way you can absolutely not imagine. Your money problems will be swept away. Worry will be a thing of the past. Money will come your way. There will be incredible opportunities that open up. **I have in my hands at least 7 golden keys for a marvelous fortune for you.** For example, on 5/14/2016 you will be able to make an incredible deal without paying a cent.

If you follow my advice and act accordingly, you will **quickly become rich and totally independent.** I know what I'm talking about. Many people I have worked with until the present have become immensely rich.

Dear [REDACTED], once and for all, write down what you want, for example: a house, a car, pay off debts, jewelry, travel to the ends of the earth, whatever you want. Dear [REDACTED] **every one of your dreams will come true. Every one!**

There is much more to come but I can now tell you only of what I will do for you. The first thing I will do is prepare a parapsychic report on you. The most thorough possible. I will explain every action that must be undertaken down to the slightest detail.

I will conduct prayer ceremonies every day for 91 days. I will send your lucky numbers and sacred magic texts you need so much. I will carry out secret rituals and recite magic prayers that will protect you and bring you joy and security.

It is now time to reveal the secrets that will radically change your life. With this letter, you have a golden envelope printed with

"A secret between you and me".

It is extremely important because it contains very powerful magic. In it are personal secrets destined only for you. You must decide now whether or not you want to accept my help and my instructions that come from the Beyond. If you refuse, never open the envelope. Never!

Open it only if you have the absolute certainty that you will accept my help and follow the instructions I will propose. Put the envelope aside and nothing will happen in your life. But if you open it, we will work together and my friendship will last a lifetime.

I know that I alone am the only person who can really help you. I will make real miracles happen for you - concerning money, love and happiness. So please accept my help and return the enclosed Personal Demand Certificate with a symbolic contribution towards my expenses. Before returning anything, open the golden envelope because it contains other important instructions.

Answer today. Believe and don't put off to tomorrow something that is so important for your future.

Your Angel of Light

P.S. If you decide to open the golden envelope, do it now. Its secret will surprise you!

THE 5 SECRETS OF THE ANGEL OF LIGHT

We wanted to find out the origins of the exceptional gifts of this clairvoyant. How can she do everything she says she will? Why does she never fail? Why does she take care of desperate cases? Why does she resolve every problem in 24 hours and what type of help does she refuse.

What is your secret that makes you 100% sure of your predictions?

I have the gift of communicating with supernatural powers. They always tell me precisely what will occur. This is why I never make false predictions. It is also the reason why I am recognized by international congresses of my community and receive so many positive and encouraging letters.

I know that many people are convinced that it is not possible to communicate with beings from the Beyond. They are wrong. I see them, I hear them and I feel their presence. I talk with them every day. I have total trust in them. That is why I work with them – against the powers of Evil. I help those whose are really in need and I have never betrayed anyone.

It has been said that you never abandon someone who consults you. What is the amazing secret that lets you assuredly and rapidly attain such miraculous results?

It's true, I never abandon anyone and have never betrayed a single person. When I start working with a person, I give my all. I love this person and work day and night on his behalf. For me, this person is like a lifelong friend. A friend who I will protect and defend with all my might. I have many resources at my disposal to help those who extend their trust to me. I know the secret rituals, the sacred stones, the divine incantations. I know how to conduct age-old occult ceremonies and that are truly mastered by only a handful of clairvoyants.

I use my psychic capacities to learn how to understand the people who need my help. When the angels reveal the future of chosen people to me, I use all my power to grant love, happiness and wellbeing to that person. I have long had the reputation of never failing.

Why do you prefer to work on the most desperate cases? Cases where it seems that everything is already lost.

Most people think in "earthly" terms. For example it's more difficult to lift 100 pounds than 50. Having debts of 10,000.00 is more worrisome than only 1,000.00. This way of thinking is of course not false, but I work on a higher plane, where angels can predict 5 or 6 winning lottery numbers just as easily as 3. I can bring two star-crossed lovers together for life just as easily as for a year. It is just as difficult to accomplish a ceremony that leads to incredible richness as it is to conduct one that will ensure subsistence for life. The laws of physics as we know them are not totally applicable in the spiritual world. This is how I can solve a very complicated problem as easily as a mundane event. With this in mind, I prefer concentrating my forces on cases for which the solutions are dramatic and spectacular. In the spiritual world where I exercise my gifts, there is no problem without a solution. No matter how big it is. A miracle is a miracle. Big or small.

You are known to resolve problems in only a few days, and sometimes even more rapidly. How is that possible?

Time is an earthly concept. Miracles occur outside the limitations of time and space. Jesus didn't need 10 days to resuscitate the dead or 2 weeks to learn how to walk on water. Miracles become a reality in a flash or they never come to pass. If this happened according to the laws of physics, there would never be the slightest miracle. If I change the life of a person in one day, most people are impressed as much by the speed as by the miracle itself. That's human nature ...

Are there cases where you couldn't or didn't want to help?

I never use my powers for negative work. I never cast spells or maledictions on people. I largely have the power and the knowledge to do that, but I want only to do well. My powers are gifts from Heaven and are destined to help people. My mission on earth is clearly defined and my oath to help people is irrevocable. ■

A secret between you and me!

Read the letter BEFORE opening this envelope.

M1800-30 USA

Personal letter from Marie de Fortune
The Angel of Light

This is the secret between you and me

I could not share this secret with you up to now. I had to wait for your decision. I also feared it would have too much influence on you. I cannot take the risk of working with someone who wants only to take advantage of a priceless gift.

Now I can reveal to you that you have parapsychic gifts. You never recognized them or used them because you were blocked by a traumatic event dating back to your childhood. These gifts bring us together and for this reason I advise you to profit from the services of the Talisman of the Order of Clairvoyants that I have placed in this envelope.

You in fact possess enormous parapsychic faculties. At the present time the dormant energy and force of these powers are imprisoned inside you. Once released, all your dreams will come true.

The Talisman of the Order of Clairvoyants will reactivate your faculties. It will enable you to concentrate on your most important desires. There is no limit to wealth, happiness, love and success. You can obtain anything you want.

The Talisman of the Order of Clairvoyants has had its inestimable and mysterious powers since the Middle Ages. It is said that it can be used only by people having powerful parapsychic capacities and I know you have them. This is why I am sending you this priceless gift.

This Talisman captures the energy of your aura and concentrates it in the realization of your most important desire. Simply hold it tightly in your hands and concentrate. You will feel like a wave of energy passes through your entire body. All of a sudden, you will feel as if the Talisman has become heavier and is moving between your hands. When you feel this, you will know that your wish has been considered.

This Talisman will absorb your energy and concentrate it in a wave of occult forces to direct it towards making your wish come true. It will be activated by your own parapsychic faculties that have not yet fully matured but that could rapidly become highly effective.

This Talisman was once the most jealously guarded secret. He who possesses the Talisman of the Order of Clairvoyants always benefits from a succession of very positive events. This mystic force is now yours.

The intensity and energy of the Talisman of the Order of Clairvoyants grants 7 royal treasures to its holder: wealth, happiness, love, health, wisdom, respect and success. If you hold the Talisman firmly between your hands, you will immediately feel its incredible force.

You now know the exceptional force of this precious gift and you know what it can do for you. You also know that you yourself possess special parapsychic abilities. I hope you now realize why I first had to be sure I could trust you before revealing this secret.

I also said in my letter that it would be difficult for me to become spiritually linked to you if I did not have a personal object of yours.

Once you have held the Talisman firmly between your hands, it will become charged with your vibrations. Do it right now, it's preferable. Then return it to me with your Personal Demand Certificate. I have to establish a psychic link with you and in this way I can send you all the help and interentions I promised.

In addition, this Talisman will enable me to conduct a secret ritual that can reactivate your parapsychic capacities that are presently blocked.

After about 21 days, these faculties will be totally available to you. When this happens, the action of your new power will truly astound you.

Now I ask you to respond rapidly. We have a lot to do together and time passes more quickly than you imagine.

Your Angel of Light

P.S.: In any case, I will send your recharged Talisman.

EXCLUSIVE INTERVIEW

Extract from an interview with our Parapsychic Specialist, Marie de Fortune

B.G.: Marie de Fortune, you have the reputation well beyond our borders of being one of the most famous clairvoyants in the world. What do your gifts mean for you?

Marie de Fortune: I inherited my gifts. You might say they were already in my cradle when I was a baby. My parents and above all my grandmother knew I was a medium when I was still a little girl. At the time, I learned to accept and use my gifts in order to be of use to others. I have always wanted to use my supernatural gifts to help people who really were in need of them.

B.G.: How can you help others with your gifts of clairvoyance?

Marie de Fortune: Having gifts of clairvoyance also means assuming a certain responsibility. The one who possesses this talent also has a mission to accomplish – one of the most important missions is certainly to help people

be happy or to help them make their dreams come true. It is always a question of doing good since this need is in fact very strong among the clairvoyants of my family. We absolutely refuse any idea of participation in negative undertakings. And yet it is sometimes difficult to persuade people that I really have the capacity to help them lead a better life. The gratitude and sympathy of people are thus all the more touching after a successful mission. For me this is the best reward imaginable.

B.G.: How do you know which people need your help the most?

Marie de Fortune: In general, I try to emancipate the largest possible number of people in need. I often receive an inspiration that tells me to contact them. I am thus often guided by higher forces towards people who need my help. I write to them and tell them that I know their solitude, their

sadness or their financial problems. I can then help them back on the path to love, success and happiness.

B.G.: Thank you very much Marie de Fortune for this highly instructive interview. ■

I would once again like to say that this famous clairvoyant accords interviews only very rarely. She usually works in total simplicity and discretion. At the occasion of this discussion, we felt her love and understanding of others. People seeking advice find what they need since Marie de Fortune has the capacity to lead others towards the path of happiness.

Marie de Fortune

Expert in telepathic research and analysis. Fifth generation clairvoyant and tarot expert.
By appointment (waiting time approximately 1 year).

*I have to send you a message that will make you
extremely happy and cause you to radiate with joy.
And this message is destined only for YOU...*

THIS IS THE MOMENT! THE TIME HAS COME!

I know the precise day and date that
will change your future life forever!

Clairvoyants call this day the
DAY OF THE SECOND BIRTH because it is the start of a new life
of wealth, happiness and success.

The special exceptional date that will be immortalized
on a golden plaque is:
May 13th, 2016!

Yes, it is the day of your **SECOND BIRTH!**

*Read on quickly and
you will understand why.*

This letter is really only for YOU. Read it in a quiet place!

One thing is certain: many people would like to be in your place because you have been selected by chance. You are the **CHOSEN PERSON** for whom **FRIDAY MAY 13th, 2016** will be the most beautiful and unique day of your life. On that day everything you have experienced until then will be relegated to the shadows... My clairvoyant gifts have enabled me to see that.

This is also why I decided to write to you immediately since I want you to be ready for this formidable news so that you will not be unprepared for it. The thought of being happy is a marvelous thing and you can start to fully savor this joy now. Look at this day like one where you see someone you love. Give it all the cordiality and humanity that you represent.

My long experience as a clairvoyant and the many years during which I have received and sent messages from higher planes have shown me that happiness can always spring up at any moment. But we must not let this exceptional chance go by without seizing it. I am there to "train" you not to miss this day.

I know I can trust you, am asking you to believe me and to answer as soon as possible...

...Tell me if you want this unique and marvelous day that will fulfill all your hopes and desires to become the start of a new life for you. **A new star that will illuminate everything for you and those close to you will rise in the sky.** Let this golden star shine with a 1000 lights. But pay attention that this star does not disintegrate immediately because you don't want to see it.

A new life will start for you on FRIDAY MAY 13th and everything will be as you have always dreamed. Even things you never dared hope for will happen.

You will see that everything will really become different for you starting on this fabulous day. The essential changes that will occur in your life thanks to my help are **MAGICAL** in the strict sense of the term. Yes, it's true, you have read correctly. I will activate all the secret powers to guarantee you a **FUTURE that is truly happy and SUCCESSFUL** and that will go well beyond anything you could imagine. It will involve all the domains of your life: **MONEY, LOVE, SUCCESS AND SATISFACTION FROM LIFE.** All these fantastic changes will happen on this marvelous FRIDAY MAY 13th.

You can be reassured that I know exactly what I am doing. If not, I would not have written this letter without hesitating one minute. I can assure you I never had a vision as intense as that I had yesterday around midnight.

Read what happened...

I was sitting at my desk and was looking out my open window. The sky was filled with stars and I was happy just to see them twinkle. I took a deep breath to take in the fresh nighttime air when I noticed one star that was shining very brightly. **It was the North Star**, a source of light and clairvoyance. Unlike any other star, it controls the strings of fate.

The North Star was like a beacon in the heavens that lit up my subconscious to bring me out of the darkness and remind me that I had very important work to do: I had to find the **CHOSEN PERSON**, an unselfish, modest and warm person who, like you, has had to cope with many problems for some time. I know you have financial problems, that your satisfaction from life has diminished and that you have difficulties with people around you. Believe me, I know to what point this has made your life difficult.

In spite of this, [REDACTED] you are courageous and determined. This is why I will help you and will show you how to find the necessary tranquility, happiness and the possibility of making a lot of money.

I am convinced! You are going to understand me now...

When I was sitting and looking at this marvelous shining star, I was suddenly gripped by immense warmth.

First I thought I had a fever but my eyes travelled to ONE of the sheets of paper on my desk and I saw how the light of the North Star fell on it. The sheet of paper started to glow with a marvelous light the likes of which I have never seen. I am sure that this wanted to tell me that it was this sheet of paper and not another that was important. There is no doubt, it was yours, dear [REDACTED]!

I picked it up and saw that it was a sheet on paper on which I wrote all I am doing for you and what impression I had of you.

I first thought it was an optical illusion but I quickly realized that it was not a hallucination: **it was as if something luminous was on your paper.** Someone had written on it! I recognized the outline of a silver HORSESHOE that was flashing and underneath it was a date:

May 13th, 2016

As much as would like to, I cannot tell you how much time I spent staring at the paper, so much was I fascinated by the flashing horseshoe and the magic that filled the room.

*You are asking yourself why YOU were chosen!
And why precisely that day?*

Let me tell you a story about this: as in many families, gifts and powers have been passed on from generation to generation in mine. I inherited my supernatural gifts from my grandmother who unfortunately passed away many years ago. God rest her soul.

I was very very close to my grandmother. She taught me about GOOD and EVIL, she taught me how to use my talent to help those close to me and to make the best of what destiny had placed in my cradle as a baby.

The night when the North Star suddenly illuminated the paper – your paper – on my desk, an event I had not thought about for a long time came to mind. All of a sudden I saw myself sitting with my grandmother in front of the fireplace of my parents' home. We were both gazing at the flames and felt the heat of the fire when my grandmother gave me a letter and said the following words:

"A day will come when it will be time to open it. Until then, keep this letter and wait for the sign you will receive at the right time."

My grandmother said this with her very soft but impressive voice. She was a strong and beautiful woman who endured two World Wars in silence.

This happened many years ago and I immediately knew it was time open my grandmother's letter. I quickly removed it from the small box it had been in all these years. With trembling fingers, I opened the envelope and read:

"My dearest granddaughter,

*I think the time has come to confide an ancient secret that has always been kept in our family. You know that you have very special gifts and one day you will receive cosmic information from the universe that you must understand, interpret and use rapidly. **One of the sheets of paper on your desk will be illuminated by the light of a sparkling star and will have an explicit sign.** The sign of the golden destiny of a person you must help by giving the Cosmological Horseshoe charged with all the positive waves of the universe. This person's life will change radically if there is trust and if this trust is allowed to be the guide to the path of joy, happiness, wealth and wellbeing.*

The Cosmological Horseshoe is a reproduction of the horseshoe originally made by our village blacksmith, Master Friedrich. At the time, I had given him iron ore that landed on earth from the universe millions of years ago. He had to make a horseshoe that would magnetically attract the most powerful cosmic waves. The iron ore came from one of our ancestors and was in our cellar for a long time. It had to be used only to make a Cosmological Horseshoe. You should know that many people accord a sacred value to iron from meteorites since it comes from the sky and the universe.

*The properties of this magnetic iron have always symbolized forces of positive attraction. Magnetic stone was once used as a talisman by magicians to attract the positive waves of love, happiness and wealth. The fabulous energy of the Cosmological Horseshoe will now be used for the person you will designate. I have kept it safe so that you can give it to the person when the time comes. Do not forget, my dear granddaughter that your duty is of the utmost importance. **And remember there remains little time until the next FRIDAY 13th to make miracles happen.**"*

Your grandmother

My grandmother unfortunately did not witness what I saw when the paper with your notes was illuminated by the light of the North Star. But she knew that one day there would be a chosen person.

It would have been a terrible thing if I let my grandmother down – for her, for me and for you.

What my grandmother did not know, however, is that you would be that chosen person, but she knew that one day it would happen...

She knew that this person would be sympathetic and have a generous heart. But above all, she knew that higher powers would give this person very special happiness thanks to the Cosmological Horseshoe.

YOU will receive this Horseshoe from me, with the "Important Special Predictions for Friday the 13th" that I am currently preparing so that you can prepare for your new life and profit from everything, as you deserve.

I would also like to tell you something very important: happiness must be provoked, do not continue to wait passively and remain inactive. You are probably a bit ashamed and don't like to talk about it, but happiness has often turned its back on you. Your financial problems are overwhelming and sometimes you have difficulties making both ends meet.

Above all do not say: "Yes, I know, it's Friday the 13th and it is a lucky day". I would not have written to you if it was merely a "lucky day". I certainly would not have done all this work and cancelled all my appointments. The universe is my witness that MAY 13th will be the day when everything changes for you.

*Are you ready to accept strokes of luck, one after the other?
Do you finally want to walk on the path
of success and ease and experience true happiness?*

Even if your natural modesty prevents you from speaking openly about this, I know that sometimes in the evening your worries prevent you from sleeping, that you often have financial problems making both ends meet.

If it was only money, you are thinking, things wouldn't be all that bad. **But you have the right to win the largest lottery jackpot ever.** You also have the right to luck, good health, to be loved by your family and be appreciated wherever you go. But there is often an abyss between justice and reality.

I know that happiness has passed you by until now. Even small strokes of luck have often been rare. **All this will change if you trust me.**

As I told you, happiness must be provoked and you can profit from it. All you have to do is to **accept the free gift of the Cosmological Horseshoe** to once again have confidence in you and your destiny in a flash. I will tell you exactly what you have to do to seize happiness for a long time. I received the message that May 13th will be that day when everything changes for you.

I analyzed this Friday May 13th for you and it is precisely one week after the new moon. This is a second sign of your destiny, of your new life.

You now have the possibility of soon starting your "new life". Putting an end to the problems and troubles of your difficult life today depends only on you. And I know that this can happen with the help of the Cosmological Horseshoe.

In order for me to rapidly complete your "Important Special Predictions for Friday the 13th" and send them to you with your Cosmological Horseshoe, you **must return** the enclosed "**Declaration of Agreement**" and tell me THREE WISHES that I must make come true for you in priority. I suppose I will receive your Declaration of Agreement in the next few days. While waiting, I will finish your "Important Special Predictions for Friday the 13th" as soon as possible.

But hurry, because FRIDAY May 13th, 2016 is just around the corner and I want to absolutely avoid your missing out on this extremely important day. It is not an accident that we say that happiness and success cannot wait.

I have a small request: in order to cover a part of the cost of my work, I am asking for a small, symbolic contribution so that I can continue to help others who like you are waiting for one thing: that I "knock on their door" and bring them happiness.

For once in your life, please stop having doubts about your existence. Let me help you and fill your life with wealth, happiness and satisfaction. **I guarantee you will not be disappointed.** I am stating this in writing. You can believe it, on my honor as a clairvoyant.

Your personal happiness depends on the confidence you show towards me and on the decision you will make. You are now the only person with the possibility to say "YES" but all those you love will also benefit.

With my warmest greetings

Marie de Fortune

*My best wishes for
happiness!!*

ATTENTION, dear [REDACTED]: do not forget the COSMOLOGICAL HORSESHOE must IN NO CASE be lent or given. If this happens, it will lose all its cosmic powers since it is destined only for you. Its powers can develop only with you because you have real need of it. With the "Important Special Predictions for Friday the 13th", you will also receive all the necessary information so that you can soon activate your happiness. Now answer very very rapidly since this chance happens once in a lifetime.

*IMPORTANT: above all do not commit the error of
doubting the extraordinary capacities of your Cosmological
Horseshoe. You could regret it for the rest of your life*
